### Tasting notes

Vanilla and fresh tobacco over spicy cherry notes.

### Winemakers notes

Aged in the finest French Oak barrels for 18 months, it has created a wine which has seamless oak integration and longevity.

### Region

According to J. Gladstone the Biological Effective Degree Days (BEDD) – where you add all the temperatures of the growing season together – of the top sub region of Burgundy is 1242. Mount Gambier's BEDD is 1245, making it the closest to - the most famous Pinot Noir region - Burgundy that we have in Australia.

Est. 1883, the Cape Banks Lighthouse is a significant orange monument standing as a sentinel on South Australia's rugged South East coastline. The lighthouse's powerful lamps shine shafts of warning light across the wild Southern Ocean, offering protection for passing vessels from treacherous hidden reefs.

### Food match

Tea smoked duck breast and roast potatoes with truffle salt.

We are very proud of our wines - we hope you enjoy them.
