## Pinot Gris 2015

*Fragrant ripe pear and citrus blossom notes with a little hint of spiced candy. The juicy palate has crunchy pear and citrus, with a soft acid backbone. Finishes clean, crisp and very moreish.*

A white wine for any occasion, 6Ft6 Pinot Gris has a lovely balance of texture and flavour, to give this great summer white a real personality. With enough depth to match richer styles of food this fresh white aromatic is equally enjoyable on its own in any social setting. Match with spicy Asian cuisine, particularly good with seafood.
