## *Pinot Noir* 2015

*Earthy, exotic and perfumed, with dark cherry and clove-spiced raspberry jam notes. The palate shows bright red berry fruits mixed with smokey, savoury nuances. A little dry tannin grip to clean up the finish.*

A fresh and fruit driven Pinot Noir that is typical of the variety exhibiting that beautiful spicy cherry flavour we have come to know and love from this grape. Made to drink and enjoy early, we recommend half an hour in the fridge before opening on a hot summer day and can be matched with a wide range of hot and cold treats, just nothing too heavy! Chaucuterie; Prosciutto, Olive and Rocket pizza, Barbeque Duck just to name a few.
