# Crisp White 2015

*Zesty spice and all things nice*

*Like aromatherapy in a glass! Fresh spring blossom, spicy potpourri, crunchy green apple and a hint of grapefruit zest. It's light-bodied with a smooth creamy texture that finishes dry, clean and crisp. Top up anyone?*

This blend of Riesling (76%) and Pinot Gris (24%) is a crisp and approachable white wine for any occasion. 6Ft6 Crisp White has a lovely balance of texture and flavour, to give this great summer white a real personality. With enough zest to match spicy Asian inspired dishes, this white aromatic is equally enjoyable on its own in any social setting. This crisp white is versatile enough to appeal to lovers of riesling and admirers of crisp dry whites.
