2013 Pinot Noir

ADELAIDE HILLS

VINEYARD

The 2013 vintage has been recognised as one of the best in recent years, and with such a promising vintage often comes opportunity, and at Wicks Estate that meant making our first in house Pinot Noir. Light crops and poor fruit set were offset by fantastic ripening conditions and outstanding fruit quality, with the small crops showcasing wonderful fruit intensity with good natural acidity. These fruit qualities aligned beautifully with producing a bright fruit forward Pinot Noir that exhibits lovely cool climate varietal characters.

WINEMAKING

These parcels were then open fermented and hand plunged to highlight the bright fruit flavours and aromas. Maintained separate throughout production, the final wine is a blend of these parcels.
